

Letter from BOARD TO FLSB BODY

To members and friends of FSLB:

It is with regret that we the members of the Board of Directors of FSLB announce the resignation of our Chairman Mr. Orea Wright, effective 05/30/2008.

We are extremely proud of the service rendered and the precedence set by Mr. Wright, we thank him for an outstanding job and look forward to his continual support and participation.

It is also with great pleasure and anticipation that the BOD announces the selection of our new interim Chairman, Mr. Abue Williams and Vice-chairperson, Mrs. Yvette Lomax-Lawson. We would like to take this opportunity to congratulate them on the new appointments as we feel confident in their ability to carry out the mandate, mission and goals of the organization.

Mr. Williams and Mrs. Lawson have been members of the BOD since the organization's inception; they have exhibited a level of commitment and allegiance that have proven to be invaluable; it is for those reasons these individuals come highly recommended by fellow members of the BOD. Their professionalism, dedication and tenacity are truly an asset to the organization. These individuals are steadfast and devoted to the vision and mission of FSLB as originally set forth and are dedicated to implementing that vision.

Please be informed that the vision, mission and goals of this organization are still the same and remain intact.

Regard,

Board of Directors, FSLB
